NEXGEN 21

Compact Casino Kiosk

Full Function in a Small Box

Introducing NexGen's latest innovation in small footprint casino kiosks. NexGen 21 offers the functions of a full service kiosk in a small form factor reducing costs of ownership while benefiting from ease of deployment.

Experience - NexGen 21 offers you customers a modern, easy to use experience with multi-touch display, integrated barcode reader, slot ticket printer and contactless cardreader.

Availability - ATM uptime matters. NexGen 21 is powered by NCR SelfServ 21 ATM dispenser. With tens of thousands deployed worldwide, it is among the most reliable solutions in the market today.

Service - 24 hours a day, 7 days a week service is provided by certified NCR Technicians nationwide.

Functionality -

- » ATM
- » Ticket Redemption
- » Purchase Tickets
- » Cash Advance
- » Coin Donation Module
